However, Anurag Basu has now spoken clearly on these speculations. Talking to 'Mid-Day', he said, 'Mohit and I are very close. I am happy with the success of his film. The only similarity in our films is that the lead role of both of us is a rockstar, the rest of the stories of both are very different.' 'The Alzheimer's aspect was known in Nobody 2' He rejected the claims of reshooting or rewriting the scenes of the film and said, 'The girl in my film does not have dementia or any other disease. I was aware of the Alzheimer's aspect in Nobody 2', so there is no need to repeat it in my story.' About 40% of the shooting of this film has been completed Anurag also told that about 40% of the shooting of

this film has been completed. He further said, 'In August and September, we are planning another schedule in which Karthik will be seen clean shaven. Currently, he is shooting for his other film (Tu Meri Main Tera Main Tera Tu Meri), which requires a different look. Continuity is the only challenge. Once he completes it, we will start preparing for the next phase.'
