<p>Barnet Safeguarding Adults Board</p> <p>Recognising and raising concerns- what everyone needs to know about the safeguarding duty.</p>	<p>This session is aimed at everyone! We know that responding effectively and protecting adults with care and support needs from abuse and neglect requires everyone to recognise and raise concerns. This means having a shared understanding of the different types of risks and knowing how to raise concerns, share necessary information so that those responsible for carrying out safeguarding enquiries have relevant information that triggers the enquiry duty and can do so line with making safeguarding personal and Mental Capacity Act principles. We will also explore executive capacity in a safeguarding context. To think about why some adults find it difficult (even with help) to anticipate risk and take action to protect themselves and when that might require statutory intervention under s42(2) Care Act 2014.</p> <p>Microsoft Teams meeting</p> <p>Join on your computer or mobile app</p> <p>Click here to join the meeting</p> <p>Or call in (audio only)</p> <p>+44 20 3321 5256 ,845478725# United Kingdom, London</p> <p>Phone Conference ID: 845 478 725#</p>	<p>Wednesday 18 November 2020 @ 9.30-11am</p> <p>Microsoft Teams</p>
