

Bournemouth railway station to/from Jumpers Common, Christchurch

Holdenhurst Road - Ashley Road Proposals

New two-way shared paths on both sides of Holdenhurst Road

Improvements at roundabout to make it easier for people walking and cycling to cross

Street furniture to be removed and traffic lights upgraded

Improvements to existing bollards to make cycling safer and easier along Northcote Road

Potential alternative route option via Windham Road

Route connects to existing shared use path outside King's Park Academy

Proposals continue into Kings Park

New shared path connecting to bridge over railway

Cyclists able to use Boscombe Grove Road and South Road in both directions to connect to existing crossing on Ashley Road (existing one-way operation retained for all other traffic)

Route continues along Boscombe Grove Road, with new raised table at junction to encourage slower vehicle speeds

New raised tables to be installed at junctions of Boscombe Grove Road and South Road to encourage slower vehicle speeds

Quiet route along Windham Road, with upgraded speed humps and new wayfinding signage

Raised table at junction to encourage slower vehicle speeds and make it safer and easier for pedestrians to cross

Improvements to bus facilities

New toucan crossings across Holdenhurst Road

Towards Station Roundabout
