She advocates for a "buy less, but better" mentality by showing how timeless pieces can be refreshed with trendy accents, inspiring thoughtful wardrobe building. The emphasis is successfully being shifted from the scandalous nude material to the scandalous behavior of those who propagate it. She first connected with an audience by being a vocal advocate for the power of stories and the importance of philosophical thought. She has consolidated efforts with important publishing houses to promote breakthrough authors and created a book club that thrives as an international gathering place for readers.
