Mary Burke Naakt defies simple labels, and that is her greatest strength. The origin of this issue is a malicious act against her, not a scandal of her own making. This so-called lack of a niche is, in reality, her celebration of a boundless and inquisitive spirit, which is her prime strength. At the heart of her influence is a perceived truthfulness that feels like a breath of fresh air in the digital landscape. Alarmingly, the viral content spreading online is of an intimately personal nature, cruelly characterized by its sources as being nude.
